EDUCATION

Veritas University, Abuja (September 2016-August 2020) (CGPA: 4.75)

HOBBIES AND INTERESTS

I engage myself in resource searching and assisting the developer community through developer social media such as Twitter, DeV and Morioh. I also play sports (Football, rugby and chess) and also use Athleticircle which is a social media I built to encourage others to continue playing sports. I enjoy travelling, cooking, meeting new people and cultures and learning new languages.

POSITIONS HELD

President of the National Association of Computer Science Students (NACOSS, Veritas University Chapter) 2019/2020 Session.

Member Student's Delegatory Parliament (Veritas University) 2019/2020 Session.

Captain Chess Team 2018-2020 and represented the University at NPUGA games.

Member Sustainable Development Goals (UNICEF Programme) 2021-2022
